Naming Rights for the Civic Center & Convention Center

Inquires & Responses

Question 4: Do you have a sense of the expense to install the existing outdoor signage to support the naming rights?

Response: An estimate has been generated to replace the current signage *in kind*. The estimate ranges from \$137,000 to \$150,000. Actual values will depend upon the number of letters, size and nature of the successful proposers intended signage.
